## **Northeast Dubois County School Corporation Board Policy**

### **Basic Rules for Behavior/Student Conduct Code Policy**

Every orderly group (family, club, and nation) has evolved rules for preserving the rights of the individual and for living harmoniously together. Here are the important rules of Northeast Dubois County School Corporation.

1. Conduct: The conduct of the students at Northeast Dubois is expected to be in keeping with generally accepted good student practices. Whether in school or engaged in school activities, every student is expected to conduct himself or herself as a gentleman or lady. No teacher will expect more or less.
2. Courtesy, good manners and respect should be shown in contact with teachers, fellow students and the general public. Observance of this rule will make a long list of minor rules unnecessary.
3. Obey your teachers promptly and without argument. If you request, your teacher will explain or discuss the situation after class or school.
4. Hands off other people and their property. This applies to:
  - a. scuffling, pushing, fighting, etc.
  - b. damaging the property of others including books, clothing, cars, etc.
  - c. boy and girl relations.
5. No smoking in the school building, on the school buses or on school grounds.
6. Boisterous conduct in the building including running, whistling or shouting is prohibited.
7. The following are prohibited on or in school unless written permission of the Principal is given in advance:
  - a. advertising or selling tickets for activities (dances, parties, lectures, etc.) not sponsored by the school;
  - b. selling merchandise, chances or tickets;
  - c. soliciting or receiving money for any non-school activity; card playing or gambling.
8. Food brought into the building should be consumed only in the cafeteria.
9. Protect school property, building furniture and equipment. Refrain from writing on or defacing walls, posters, bulletin boards, desks, tables, rented or borrowed books. Take good care of the locker that has been provided for your use. You benefit when all is in good working order.

The Board of School Trustees of the Northeast Dubois County School Corporation on 9-12-79 unanimously adopted as official board policy the "Student Due Process Law," (Burns 285369) as passed by the 1972 Indiana General Assembly. This provides that certain student misconduct will be grounds for suspension or expulsion of students from school.

Northeast Dubois utilizes a "stepped" disciplinary system. This is a process by which students are disciplined and the severity of the punishment is increased with each

incidence of improper behavior. The final step is suspension or expulsion from school.

Full details of the rules, regulations and due process procedure of the Northeast Dubois County School Corporation are available to any parent, guardian, or student in the office of the Superintendent, Northeast Dubois County School Corporation, Dubois, IN 47527.

### **Article I – Philosophy**

The entire foundation and success of public school education depends on the basic concepts of self-discipline – a self-discipline which will allow all individuals to exist in a world of change and with the individual rights afforded them by our Federal and State Constitutions. Certain standards of student conduct are necessary to assure that students seeking to express their own individual rights do not at the same time infringe upon the rights of others. The responsibility for the development and maintenance of self-discipline falls to the cooperative efforts of students, parents, teachers, administrators and community.

A portion of the responsibility for the developments and enforcement of regulations for the protection of the rights of individuals is delegated by the School Board of Education to responsible officials within the School Corporation. The purpose of discipline controls is to help create an atmosphere that promotes the best possible learning environment for all those involved in the educational process.

An environment that provides equal opportunity for all and permits the teaching-learning process to proceed in an orderly manner is the objective of all school personnel. School staff members will make every effort individually, collectively, and cooperatively, with appropriate available community resources, to help each student gain acceptable self-disciplined standards.

However, in the absence of self-discipline, the superintendent, principal and administrative personnel, or any teacher of the School Corporation is authorized to take certain actions reasonable, desirable or necessary to help any student to further school purposes, or to prevent an interference with the educational process. School officials are charged with a moral and “parental” duty to teach proper values.

Some behavior is much more serious than other behavior and requires different approaches and clearly defined actions. Reprimand, corporal punishment, probation, referral to special personnel in the schools (counselor, principal), parent conference, suspension, referral to special central office personnel and expulsion are devices available to school personnel in dealing with students involved in school discipline

problems. Any or all of the techniques will be used; however, certain acts of misconduct will subject the students to suspension or expulsion from school.

Regardless of an individual's behavior or the discipline imposed, no student should be subject to ridicule or undue embarrassment as a result of the discipline process. For that reason, communication to other staff, other students or to persons outside of the School Corporation which identifies the student and which is not reasonably necessary to further a legitimate school purpose is discouraged.

## **Article II - Rules of Conduct**

Pursuant to I.C. 20-8.1-5-4, all rules of conduct, shall be applicable when a student is:

2. off school grounds at a school activity, function, or event;
3. traveling to or from school or a school activity, function or event;
4. at any time, regardless of the purpose of the student's presence.

  - a. State law allows students with an acute or chronic disease or medical condition to carry medication with them and self-administer it on school grounds and during any school-related function. This should assure that students with serious conditions receive quick treatment. The law will apply to students with asthma who may need to carry an inhaler with them. Students who react severely to bee stings, peanuts, or other allergens can carry an Epi Pen and self-administer their own medication. Students must have a written release from a parent and a doctor that authorizes the activity. These written statements must be kept on file at the school and re-authorized annually.
  - b. For PK-4 students, prescription medications that are not needed for acute or chronic conditions listed above should be handed by a parent/guardian/designee to a bus driver or school personnel. Medication for students in grades 5-12 should be delivered to office personnel and not kept in the student's possession.

Any student engaged in the delivery, sale or possession of a prohibited substance shall be reported to law enforcement officials. A student expelled for this infraction will be notified of the trespass laws of the State of Indiana and informed that they will be prosecuted in the event they enter school grounds before, during, or after school hours for the full period of the expulsions. “School Grounds” is defined as property belonging to the School Corporation. If extreme extenuating circumstances are shown then the student may request the drug abuse class set forth below.

Any student who is found to have violated this article by being in possession of or under the influence, having recently consumed a prohibited substance shall be expelled for a period of one (1) year unless extenuating circumstances are presented. The student may request to enroll in a special drug abuse course of study, as an alternative to expulsion. This course will be provided as an alternative to expulsion only in the event the student is a first offender with regard to a drug and/or alcohol offense. In order to qualify for the drug abuse course of study, the student must also exhibit a sincere desire for help, and must be recommended by his counselor, dean or principal for the course of study. ## **Article V - Search and Seizure Policy**

Students are entitled to the guarantees of the Fourth Amendment, and they are subject to reasonable searches and seizures. School officials are empowered to conduct reasonable searches of a student and school property when there is reasonable cause to believe that the student may be in possession of drugs, weapons, alcohol, stolen goods or other materials in violation of school policy or state law. School property shall remain under the control of school officials and shall be subject to search.

1. School Property: The school owns student lockers, desks, and other such property. The school exercises exclusive control over the school property and a student should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials.

2. The Person: According to the decision of the Supreme Court of the United States “a student may be searched if there are reasonable grounds for suspecting that the search will turn up evidence that the student has violated either the law or the rules of the school.” A particular student’s effects also are subject to being searched by school officials and are subject to the same rule. Effects may include automobiles located on school property. The scope of the search must be “reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction”. If school officials conclude that a more intrusive search (i.e., a full strip search) is needed, they shall call the parents of the students involved and report their suspicions to the police who shall be responsible for any such search. School officials should not conduct such searches. The principal or his designee may request law enforcement assistance in the random search process; such assistance includes an agreement with law enforcement to use trained drug dogs.

#### **Article VI – Handicapped Students**

Any handicapped child enrolled in a special education program or class may be denied the right to attend school or to take part in any school function through suspension, expulsion, or exclusion procedures as outlined in Indiana Code 20-8.1-5 and this policy. Although the procedure described under Indiana Code 20-8.1-5 does provide due process, expulsion of a handicapped student is also governed by federal regulations implementing P.L. 94-142 and by Rule S-1 of the Commission on General Education. Because of the nature of such expulsions, a case conference committee must be convened to make the change in placement. At the case conference the relationship between the misconduct and the handicap shall be determined. After making such a determination, appropriate procedures for expulsion of a handicapped student will be followed.

#### **Article VII - Bullying Policy IC 20-33-8-0.2**

As used in this article, "bullying" means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for the targeted student an objectively hostile school environment that:

1. places the targeted student in reasonable fear of harm to the targeted student's person or property;

2. has a substantially detrimental effect on the targeted student's physical or mental health;
3. has the effect of substantially interfering with the targeted student's academic performance; or
4. has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

Parents or students who suspect that repeated acts of bullying are taking place should report the matter to the school principal or designee. School personnel will investigate all reports of bullying.

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation.

Educational outreach and training will be provided to school personnel, parents, and students concerning the identification, prevention, and intervention in bullying.

All schools in the corporation are encouraged to engage students, staff and parents in meaningful discussions about the negative aspects of bullying. The parent involvement may be through parent organizations already in place in each school.

#### **Article VIII - Threats, Intimidation, Battery, Harassment**

Any incidents of threats, intimidation, battery, or harassment against a school employee shall be immediately reported to the local law enforcement agency. IC 20-33-9-10

#### **Article IX - Attendance Policy**

For a child to have the greatest educational opportunity, regular school attendance is absolutely necessary. Regular and punctual school attendance enables students to derive maximum benefits from instructional programs and develop habits of self-discipline, punctuality, and responsibility.

Absences fall into three categories: certified absences, non-certified absences, and unexcused absences.

Absences are considered certified if the following conditions are met:

1. Student has seen a medical professional and a note is delivered to the school.
2. Student served as a page for the general assembly, serves on the precinct election board, or as a helper to a political candidate on election day (I.C. 20-33-2-14 & 20-33-2-15).
3. Student subpoenaed to appear in court as a witness in a judicial proceeding. (I.C. 20-33-2-16).
4. Student participated in an educationally related non-classroom activity which is consistent with and promotes educational philosophy and goals of the school corporation, facilitates the attainment of specific educational objectives, is part of the goals and objectives of an approved course or curriculum, represents a unique educational opportunity, cannot reasonably occur without interrupting the school day, and is approved in advance by the school principal (I.C. 20-33-2-17.5).
5. Any other absence approved by state law or the school principal.

Absences are considered non-certified if a parent/guardian notifies the school of the student's absence but does not provide any of the documentation listed above.

All non-certified absences after 10 in a school year will be considered **unexcused**. Upon 3 unexcused absences in a school year, the school attendance officer will begin contacting the family of the student. Multiple unexcused absences may result in a referral to Project Attend through the Juvenile Probation Office.

A student's attendance record will transfer and be enforced when transferring to another school within the county.

On the day of a student absence, his or her parent/guardian must call the school by 8:30 A.M., state their name, date, son/daughter's name and the nature of the absence. If the school does not receive a call, a phone call will be made in reference to the absence. **No contact about the absence will result in the absence marked as unexcused.**

Truancy: A "truant" is defined as a student who is willfully absent from school without the knowledge or consent of the parent and school, or absent from school when there is an attempt to evade the Indiana Compulsory Attendance Law. A "habitual truant" is defined as a student who is truant three times any semester, or is absent from school a total of 20 or more days in a school year. **Friday afternoon school will be served as consequence for truancy for grades 5-12.**

The bulletin boards are designed for school notices and educational displays. The use of any display area in the school must have the approval of the principal.

### **Closed Campus Policy**

Northeast Dubois High School has a closed campus policy. This means that students are not allowed to leave the school grounds nor access vehicles during the school day unless they have both permission from the school personnel and permission from a parent. Leaving school without permission from a parent or without signing out in the office is considered truancy.

### **Cell Phones & Electronic Devices Policy**

Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extracurricular activities) and at school-related functions, provided that during school hours the WCDs are silenced and out of sight. Students may use WCDs during their lunch break and passing periods.

Teachers will confiscate WCDs that are being used in the classroom.

In addition, students are not permitted to use cellular telephones, including camera phones, or WCDs to record/store/send/transmit the spoken word or visual image of any person, including other students or staff members, or educational instrument /document (e.g., test, quiz, etc.) any time while on school property.

Finally, students may not use cellular telephones or WCDs on school property to access and/or view Internet websites that are otherwise blocked to students at school.

The Board is not responsible for preventing theft, loss, damage, or vandalism to cellular telephones or WCDs brought onto its property.

Parents/guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.

### **Dress Code**

Students are urged to use good judgment in choosing their school clothing, which means they are expected to be well groomed and neat at all times. The responsibility for student dress and grooming is that of the student and their parents/ guardians.

The following regulations shall be used for implementation of the Student Dress Code Policy:

1. Health and Safety -- Students should not wear clothing or hair styles that can be hazardous to them in their school activities such as Industrial Arts, Agriculture, etc.
2. Common Decency – Shirts and low riding pants that expose the midriff area, halter tops, low cut tops, muscle shirts, and tank tops, or any other garments which unduly or suggestively expose the upper torso or underclothing are prohibited.
3. Educational Environment – Clothing that is distracting to the educational environment in any way is prohibited.
4. All shirts must have a 2 inch shoulder strap (no spaghetti straps or racerbacks). All shorts, skirts, and dresses must be to the knee or below. Jeans or pants may not have holes in them above the knee. Trench coats, sunglasses, bandanas, and hats or caps will not be worn in the school building during the school day (8:00 – 3:00).
5. The wearing of apparel that has on it any writing, printing, symbols or pictures that is judged to be immoral, lewd, vulgar, or is suggestive and/or implies and glorifies sex, drugs, alcohol, violence, or other subjects disruptive to the normal operation of the school, or which interfere with normal educational functions or school purposes, is prohibited.
6. Footwear -- All students are required to wear footwear, such as boots, shoes, or sandals. Footwear which is unsafe or unclean, inhibits movement, creates a disturbance, or which is disruptive either by appearance or by sounds is prohibited.

Additional regulations may be added by school administrators if such regulations are deemed important to an orderly implementation of this policy.

A student whose dress and grooming does not conform to the above standards, or any subsequently approved standards, will be referred to the principal or his/her designee. Students will be informed by the principal, or his/her designee, as to what adjustments must be made in order to comply with approved standards.

## **Eligibility**

Eligibility for all school activities work in accordance of the individual activity/program. Eligibility may be revoked for failure to meet requirements of the group or at the discretion of the sponsor and/or principal.

## **Extracurricular Activities**

Activities are a vital part of a successful total school program. They provide an opportunity for exploration in areas of interest outside the classroom. In an atmosphere of voluntary interest, students learn to express themselves, to have respect for others, to work toward a common goal, to associate with each other, to provide service to others.

At Northeast Dubois these activities have been broad and varied. We hope this can be increased to the point that each student can participate in at least one activity and lend his/ her support to all of them.

The following activities are offered: Art Club, Beta Club, Student Council, Future Farmers Association (FFA), Spanish, Business and Professionals of America (BPA), Fellowship of Christian Athletes (FCA), French Club, Spanish Club, Library Club, Robotics Club, Spirit Club, Intramurals, Academic Bowl, Spell Bowl, Natural Helpers, Peers Educating Peers, Girl Talk, Marching Band, Winter Percussion, Community Leaders, Student Publications. These clubs continue as long as members warrant teacher sponsors. New clubs are organized as the needs and wants of the students arise.

## **Fire Alarm/Drills**

Periodic drills are necessary as mandated by state law. When the fire alarm sounds, every student will leave the building in a quiet and orderly manner. Exits are determined by your position in the building at the time of the warning signal. Specific instructions are located in each room. Students shall reenter the building as soon as the signal for their return is sounded.

Severe weather drills are also held regularly with safety areas posted in each classroom. The main thing to remember with any drill is that student cooperation is necessary.

## **Flag Etiquette & The Pledge of Allegiance**

In saluting the flag, stand at attention, with your right hand over your heart. If a boy/girl or man/woman is wearing a hat, he/she removes it with the right hand and holds it at the left shoulder with his/her right hand over his/her heart. When the colors advance, as in a parade, you are to stand at attention until the colors have passed. You are to stand when the Pledge of Allegiance is recited. You are to stand when the "Star Spangled Banner" is played and encouraged to sing if you so desire.

### **Grading System/Report Cards**

Recognizing the fact that individual classes have different requirements and different levels of aptitude, individual teachers use slightly different grading scales in their classes. Grading scales for each class will be explained to the students during the first week of school each semester.

Grades will be posted in Skyward Family Access as soon as possible following the term (9 weeks) and each semester. These posts show a report of attendance, as well as the grade for that grading period and previous grading periods.

## **Guidance Office Program and Services**

The Guidance Office is open from 8:00 A.M. to 3:30 P.M. each school day. A student wanting to see the guidance counselor should request permission during their study period.

NO STUDENT should be released from regular class unless requested in writing by the counselor. Evening or weekend office hours are by appointment only.

The Guidance Office helps each student plan and develop their high school program; assists students in solving classroom problems; works with students having personal problems; helps each student in understanding their strengths and weaknesses in planning for schooling, special training, or employment after high school; and provides students with education, vocational and testing information.

The philosophy of guidance at Northeast Dubois is twofold. The main objectives of the program are to help the individual student to:

1. make the best possible adjustments to their problems and situations and,
2. realize the highest possible achievements within their aptitudes.

More specifically, these goals may be stated under four specific points:

1. To help the pupil understand and accept himself or herself.
2. To help the pupil understand the world in which the pupil lives.
3. To help the pupil get the most out of school.
4. To help the pupil explore their own interests /abilities and learn about the world of work.

We feel that the following services should be provided to pupils by an effective guidance program: counseling, testing and data gathering; providing education, occupational and personal social information; maintenance of records; educational and vocational placement; follow-up, evaluation and research; and consultative services to parents and teachers.

The guidance department feels that the main focus of its programs will be individual, personal counseling centered on the personal interview.

## **Library**

The Northeast Dubois High School Library has approximately 11,000 items in its Destiny database. The library is equipped with 12 computers for student use. In addition to INSPIRE, the library subscribes to eLibrary and SIRS research databases.

## **School Accreditation**

Northeast Dubois holds a PBA accreditation (Performance Based Accreditation) from the Indiana State Department of Education. Maintaining this commission demands that we offer a high quality, well-balanced program requiring the united effort of students, staff, and patrons of the school.

### **School Closing Emergency**

In the event of an emergency, school closing due to the weather, etc., the local radio stations should be consulted, specifically WITZ (104.7 FM) and WBDC (100.9 FM). If these stations are not notified there will be school; do not call the school to confirm. Parents and students may also sign up for the corporation Remind notification system, which will send alerts through text or email.

### **School Mascot -- Eugene the Jeep**

In the fall of 1936, a group of 15 Dubois High School students kicked around the idea of adopting a mascot for the high school athletic teams. Someone mentioned "Eugene the Jeep," who appeared daily in the *Popeye* comic strip. All of the guys assembled knew that Eugene was an intelligent, mystical character that was always right and could predict the future; consequently, all the boys agreed that this creature should become the school mascot.

The next morning, this group of boys approached Mr. Dallas Ferguson, the Principal and the coach of the team, with their idea. Mr. Ferguson agreed with the proposal and said he would try to secure a Jeep emblem for the varsity warm-ups. He was able to do this, and since that time, the athletic and academic teams have been known as Jeeps.

The original Jeep was black and gold, because at that time those were the school colors. However, in the fall of 1938, the school colors were changed to blue and gray, and so the Jeep changed colors as well.

There is a replica of the Jeep at the Indiana Basketball Hall of Fame in Newcastle, Indiana. The original Jeep mascot is in its permanent place; the trophy case of Northeast Dubois High School.

### **School Property**

Student lockers, desks, and other such property are owned by the school. The school exercises exclusive control over the school property and a student should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials.

### **School Song -- "Notre Dame Victory March"**

Cheer, cheer for NDHS,  
You make the basket, we'll do the rest.  
As you dribble down the line,  
A basket we hope for every time.  
Although the odds be great or small,  
NDHS will win over all.  
As the blue and grey are marching  
Onward to victory. (Repeat)

### **Sick Room**

A room is available for students who become ill during the day. The following procedures pertain to the use of the sick room:

2. No medication can be given to students without parental approval. Only minor first aid services are available at the school.
3. Communicable diseases are reported to the Department of Health.
4. Individual health or hygiene problems are reported to parents/ guardians.

Study hall is just what the name implies -- a quiet atmosphere where students can gainfully employ their time in preparation for class assignments. All students are required to bring books or materials for work to study hall. Unexcused absence and tardiness to study hall is counted the same as for class.

### **Homeroom**

Homeroom is a time set aside each day for either remediation, homework, club meetings, or quiet reading for pleasure.

### **Telephones**

If a student needs to use the phone, the phone in the office is available for use. No student will be called to the phone during school hours except for emergencies.

### **Student Driving**

Students use the front parking lot. Therefore the parking lot is closed to all students during the entire day. Students needing articles from their cars must get permission from school personnel. The back parking lot is reserved for faculty, staff and administration.

Students are permitted to drive their own cars to and from school. Student drivers are to observe the following regulations:

1. The student automobile registration form shall be completed and filed in the office, and a student parking pass shall be purchased each year.
2. Extreme caution is to be used in entering and leaving the school parking lot due to possible presence of many student pedestrians and due to several vehicles

entering and leaving at the same time. Maximum speed of 15 mph should be observed at all times on school grounds.

3. All students will park in the front parking lot of the school.
4. The students shall not drive their vehicles during the school day without permission from the office. They are to park their vehicles in the morning and not move them until they leave at the close of the school day.
5. The student driver shall consider school buses as having the right of way at all times regardless of traffic circumstances.

Any student who refuses to observe the above stated regulations will not be allowed to drive to school.

### **Use of Building**

The school building is the center of community activities, but arrangements for use of the building for other activities must be cleared by the Superintendent and School Board. It is generally understood that any school activity must be given preference; therefore, the use of the building must be cleared through the office of the principal. A rental fee is charged in some cases for use of the facilities.

Parent/Guardian-teacher or parent/guardian-principal conferences should be made after school hours and by appointment. All visitors are expected to get a Visitor's Pass from the office.
