Click on the words **Forgot Login/Password...** Key in the characters/numbers in the security box along with your email account that is on file. If you cannot read the characters/numbers to key in, please click on the refresh button to obtain another set of characters/numbers (top one of the three to the right of the box where you are to key in the text)

A system generated email containing an account reset link should then be sent to the email account within Skyward. Click on the link in that email, which will direct you to a page to set a password that will allow you access to your Skyward account.
