

Northeast Dubois County School Corporation
Teacher MeetingsDubois Elementary School

- More restrooms
- Concern over moving Celestine over with only moving 4th grade
- Need more pull out space
- Separate Cafeteria and Gym (new Gym)
- Replace windows
- Improve Pre-School space
- What happens to house next door? Currently, the teachers eat lunch there.

Celestine Elementary School

- Better Wi-Fi
- Accessibility
- Like small class sizes
- Would like to stay open as long as possible
- Teachers would like to be first to know if school is going to be closed

Northeast Dubois Middle School

- Concern over 7th and 8th grades moving to the high school
- They like the 3 building option
- Concern for Administrative/Counseling staff if 7th and 8th grades move
- Want to explore movement at the 4th grade level
- If K-6 do we lose some specialization?
- High School needs an Auditorium
- Make sure there is room for growth
- Need more small group testing space
- Bigger lockers
- Improve serving lines in Cafeteria
- Special Education spaces need to be updated with sinks
- Office space for support services
- Faculty restrooms
- Air Quality/Improve HVAC
- Concern over losing selling point of small class size
- Should a survey be sent out?
- No renovations to elementary school if it may be closed
- Doors between classrooms would be useful
- Work session with the School Board to discuss reorganization

Northeast Dubois High School

- Science labs updated; 3 science labs needed
- FACS needs exhaust fans
- Student Commons passively supervised
- Bathroom remodel and more bathrooms and staff toilets
- Whole front of building need to be remodeled
- Wheelchair accessibility in Band Room
- Larger classrooms; hallways are too big
- Storage cabinetry
- Chemical storage needs to be looked at
- Look at tornado shelters
- Bigger lockers to get backpacks out of classrooms
- CTE needs to be updated; exhaust or paint booth in Woodshop
- More small group focus rooms
- PLTW needs standing tables and robotics area
- Soundproofing of bathrooms
- Update technology; microscopes
- Mold issue-new addition-look at exterior wall
- New flooring in Art Room; clay tray in Art Room; floor drain
- Two water leaks in roof; check age
- New ceilings throughout
- Look at office configuration
- Need side room in office
- More outlets in classrooms
- WAP already in
- Look at brick offset at corner of pool
- Remodel in Cafeteria
- Door off in Cafeteria
- Look at serving lines for circulation
- 1 Gym short (multi-purpose with stage)
- Acoustics/sound system
- Renovate locker rooms
- Like having hall Gym entrance
- Need classroom storage
- Replace bleachers and pull of court
- Multi-purpose Room off Gym
- Flat on Music Room floor; no risers
- Band Room Acoustics
